

**THE EMPIRE LIFE INSURANCE COMPANY
(Company)**

MANDATE OF THE IT OVERSIGHT COMMITTEE

AUTHORITY

Primary responsibility for the Company's IT Oversight Committee is vested in senior management and is overseen by the Board of Directors (Board). The IT Oversight Committee (Committee) is a standing committee of the Board established to assist the Board in its oversight role with respect to:

- a. assessing whether the Company's IT strategy effectively supports the Company's business objectives and strategic direction,
- b. reviewing strategic information technology (IT) projects, initiatives and technology architecture decisions, and
- c. assisting with Board oversight of technology and cyber related risks and management efforts to monitor and mitigate those risks.

The Committee has unrestricted access to Company personnel, information, documents and resources as required to carry out its responsibilities as set out below. In consultation with the Chair, the Committee has the authority to conduct or authorize investigations into any matters within its scope of authority and to obtain advice and assistance in the conduct of investigations from independent counsel, consultants or other professional advisors at the Company's expense.

STRUCTURE AND OPERATION

1. The Committee consists of at least three Directors (including the Chair), a majority of whom are not affiliated with the Company. No employee of the Company or any of its subsidiaries may be a member of the Committee.
2. Committee members are appointed by the Board to serve one-year terms, but may serve any number of consecutive terms. Any member of the Committee may be removed or replaced at any time by the Board, and the Board will fill Committee vacancies.
3. The Committee meets at least five times each year. Any member of the Committee may call additional meetings at their discretion. The Committee may call a Board meeting to consider any matter of concern to the Committee.
4. The external auditor receives notice of all Committee meetings.
5. Quorum for a meeting of the Committee is a majority of its members. Notwithstanding any vacancy on the Committee, a quorum may exercise all of the powers of the Committee. Decisions of the Committee are determined by a majority vote.
6. The Committee meets privately with each of the Chief Technology Officer, Chief Risk Officer and Chief Information Security Officer (CISO) at each regularly scheduled meeting, and these members of senior management have unrestricted access to Committee members between meetings.
